

Welcome To efish!

efish: **the most comprehensive**
[‘ē-fish] noun; **multi-unit restaurant**
 management solution to date,
 features 'efish'ient tools &
 intelligence, using your unique
 decision-making metrics, for
 day to day accountability

The Platform:

efish provides a singular software solution for all of your operational and business needs at the restaurant and organizational level. We capture the data from your POS, Accounting, and Suppliers; so, all the data you need to run your business resides in one place. The data is readily available for all of your daily, weekly and period tools needed to optimize your business: reporting, cash controls, labor management, inventory & food controls, budgets, P&L's, scheduling, managers log, paperless a/p processing, etc.

Getting Started:

Sign in: Once your company administrator adds you to efish, an email containing your user name and password will be sent to you. ***It will be necessary to change your password upon your first log in.***

Support:

Should you have any questions, need help, would like to report something that is not working correctly, or want to suggest a new efish function:

- **First:** Call your internal efish administrator, Name _____
Number _____
- **Next:** If the administrator was unable to resolve: click on the **green**
[support@pointblanksoftware.com] at the bottom of any page. Your support ticket will be assigned and responded to within the day.
- **Finally:** Should an emergency arise call: **602-247-8660**
